

Dear Friend of Saint Mary School,

Paige F., Kindergarten

For more than 50 years, Saint Mary School has been a strong Catholic presence within Newington's community, providing its students with a solid foundation of Catholic values, academic excellence and social responsibility. If you are a graduate of Saint Mary School, or if you know one of our students, past or present, you already know that Saint Mary School makes a difference in the life of every child who passes through its doors.

As we enter the 2009-2010 school year, we face a considerable challenge. Like so many of you, we at Saint Mary School have been influenced by a struggling national economy. We have always relied heavily and gratefully on the generosity of our alumni, parents, grandparents, and friends to fund scholarships, capital improvements and even day-to-day expenses. Without these funds, our school suffers and so do our students.

It is for this reason that I write on behalf of our current and future students to ask for your generous support of the 2009-2010 Annual Appeal. As devoted members of our Saint Mary community, I encourage you to assist us in keeping Saint Mary School a thriving facility for many generations to come. Please join us in pledging your financial support of our future.

With deepest gratitude,

Thomas E. Maynard
