NEWINGTON - On Friday, September 11, 2009, Saint Mary School students, faculty and staff gathered together for prayer and to place flags on the campus lawn. This brief remembrance is being held to affirm our student's commitment to God and our Country.

This solemn day in our nation's history will be forever remembered and honored through a spiritual joining of prayer and reflection. Most of our elementary students, many who were as yet to be born during this tragedy, are unaware of the actual occurrences of that day's events. For this reason we have chosen to honor this day with a pledge of allegiance and patriotism.

Saint Mary School has been providing Newington's community with a strong quality Catholic education alternative since 1958. It continues to be a center for faith formation, high academic achievement and development of the whole child. For information on Saint Mary School, please call (860) 666-3844.
