NEWINGTON - On Friday, October 9, 2009 and Tuesday, November 3, 2009, Saint Mary School, 652 Willard Avenue, Newington will host new Student Shadow Day Open Houses. The building will be open to students whose families have shown an interest in attending Saint Mary School. These day-long visits coincide with the Newington Public School systems in-service days, and will offer a unique view of a student's average daily schedule as well as the dynamics of the class and its subjects and curriculum. Visiting students will be paired with a mentoring student of their own grade. There is no cost for this special program.

To find out more information about Saint Mary School and this program, or to enroll your child in this unique experience, please contact the Development Office at (860) 666-3844 x17 or feel free to visit our website at www.stmaryngtn.com.

Saint Mary School continues in its pledge of providing Newington's community with a strong quality Catholic education alternative.
